

Annual Retiree Benefits Fair

Sponsored by the Cape Cod Municipal Health Group and MV Wellness Committee

Wednesday November 6th, 2019

Noon – 3:00 PM

American Legion Post in Vineyard Haven

(Located at 47 Martin Road, across from the Tisbury School main entrance – parking on site!)

As you are probably aware, the open enrollment period for retirees on Medicare and Medicare Supplement plans such as BCBS Medex and Harvard Pilgrim Medicare Enhance is mid-October through early December, for an effective enrollment date of January 1st. If you are interested in making any changes, just have general questions, are turning 65 within the next year, or thinking of retiring in the next year, this benefit fair is a great time for you to explore your options and get your questions answered.

Representatives from the following organizations will be there to meet with retirees and employees individually, to explain and compare plan benefits, drug coverage, insurance-sponsored wellness incentives, etc. (There will not be any presentations.)

- Blue Cross Blue Shield
- Harvard Pilgrim Health Care
 - Boston Mutual Life
- Social Security Administration
- Dukes County Retirement System
- Empower Retirement System (SMART Plan)
 - AXA Advisors
